## **SELECTMEN'S MESSAGE**

**Office Hours: Mondays 6:00pm – 9:00pm**  
(except some Holidays)

The Highway Department continues to upgrade the Joslin Road as well as attending to other roads in Surry. The Joslin Road Project is quite a challenge but it will get completed.

There are a few things we would like to bring to the attention of the townspeople.

1. We would like to thank David and Jill Lane for keeping the oval in the village groomed and attending to the flowers. It always looks pristine.
2. Thanks to Andy Bisson and his Eagle Scout project for designing, making and erecting the "Welcome to Surry" signs on Route 12A. We have had many compliments on it. Good job, Andy!
3. We would also like to thank, as always, the Boy Scout Troop helping us deliver the Town Reports every year.
4. We would like to thank Robert Fuerderer for donating an air conditioner to the Selectmen's office.
5. A mention of gratitude to the Surry School Committee for their hard work, long meetings, informational gathering, court procedures, special meeting for the townspeople - all to try to reopen our much missed Surry School.
6. We are proud of the citizens that helped Kathy Jacobs rebuild her bridge after the flood in October. This was devastating to all who experienced any damage and especially to the River Road and Route 12A roads in Surry. These were, however, repaired in a timely manner by the State. Our hearts go out to the residents of Alstead who are still rebuilding their lives.
7. The Selectmen, in particular Bruce Smith, have been busy updating our current use and exemption records. This is required by the State and is mostly completed.

8. Again we want to thank all the various members of the departments who volunteer their time and make a big difference to this community. If it weren't for all you dedicated people, there would be no Surry. If any of you citizens would like to volunteer your precious time, please drop by the Selectmen's Office on Mondays 6pm-9pm or call 352-3075.
9. We would also like to thank Scott Mitchell for maintaining and resetting the stones at the North Mine Ledge Road cemetery.
10. Thank you to Larry Sportello who continues to be our e-mail messenger for events that are happening around Surry.
11. The Recreation Department will be serving a light supper prior to the town meeting on Thursday, March 16. So please come join us.
12. Before this report went to publication, the Surry History book was delivered and presented to Calvin Frink, the founder and chairperson of the Surry History Committee while he is infirmed at the Maplewood Nursing Home. Many of the committee members, family, and Bruce Smith, Selectman were present. Needless to say, Cal was very pleased.

**STATE OF NEW HAMPSHIRE  
TOWN OF SURRY  
COUNTY OF CHESHIRE  
TOWN WARRANT - 2006**

To the inhabitants of the Town of Surry, in the County of Cheshire, in said State, qualified to vote in Town affairs.

**You are hereby notified to meet at the Town Hall in Surry on Tuesday, the 14th of March, 2006 from 2:00 p.m. to 7:00 p.m. to cast written ballots to act upon the following articles:**

1. To choose all necessary Town officers as listed on the official ballot.
2. To see if the town will vote to amend as proposed by the Planning Board, the town zoning ordinance as follows: "amend the flood plain ordinance as necessary to comply with requirements of the National Flood Insurance Program?"
3. To see if the town will vote to change the wording of Article VII, paragraph A under Supplemental Regulations of the Surry Zoning Ordinance, by adding the word "Primary" after the word "Every" to read: "Every primary dwelling erected..." This is for clarification purposes.
4. To see if the town will vote to change the road standards ordinance Article IX, Roads, Paragraph D to read, "Road surface for local service shall be Type 1 Hot Asphaltic Concrete having nominal thickness of 2 ", consisting of, optimally, a 1" binder course in a 1" wearing course, or a combined binder/wearing course, of approximately 0.115 tons per sq. yd."

**In addition, you are hereby notified to meet at the Town Hall in Surry on Thursday, March 16th, 2006 for the business meeting at 7:00 p.m. to act on the following articles or in relation thereto:**

5. To hear the reports of the Town Officers and Committees.
6. Passage of this article shall override the 10 percent limitation imposed on this appropriation due to the non-recommendation of the budget committee.

To see if the Town will vote to raise and appropriate the sum of \$355,000 for the purchase of a new NFPA rated fire truck. \$252,160 of that total is to be raised by the selling of bonds against the credit of the Town to Surry. The remaining \$102,839.84 is to be withdrawn from, and thus close, the Capital Reserve Fund established for this purpose. And further to authorize the Selectmen to issue and sell bonds in the name and credit of the Town, under and in accordance with the provisions of RSA 33 Municipal Finance Act, and to delegate to the Board of Selectmen authority to fix the time and place of payment of such bonds and to determine the rate of interest thereon, and to take such other steps that are necessary to negotiate such bonds as shall be in the best interest of the Town of Surry, or to take any action in relation thereto. The Selectmen recommend this appropriation and Budget Committee does not recommend this appropriation. (2/3-majority ballot vote required.)

7. To authorize the Selectmen (with the advice of the Fire Engineers) to dispose of 30 M-3, a 1968 GMC fire truck, as they see fit, and in the best interests of the Town, or take any action in relation thereto. (Majority vote required.)
8. To see if the Town will vote to raise and appropriate the sum of \$50,000 to place into an ongoing capital reserve fund to purchase a new fire truck. The Selectmen and the Budget Committee recommend this appropriation. (Majority vote required).
9. To see if the Town will vote to raise and appropriate the sum of \$5,000 to place in the current Library capital reserve fund for the purpose of ADA compliance. The Selectmen and the Budget Committee recommend this appropriation. (Majority vote required).

10. To see if the Town will vote to raise and appropriate the sum of \$25,000 to purchase a new police cruiser, and to authorize the Selectmen to sell the current police cruiser. \$5,000 of that total is to be raised by taxation, and the remaining \$20,000 is to be raised by authorizing the Selectmen to withdraw from and thus close, the Capital Reserve Fund established for this purpose. The Selectmen and the Budget Committee recommend this appropriation. (Majority vote required).
11. To see if the Town will vote to raise and appropriate the sum of \$5,000 to place into an ongoing capital reserve fund to purchase a new police cruiser. The Selectmen and Budget Committee recommend this appropriation. (Majority vote required.)
12. To see if the Town will vote to raise and appropriate the sum of \$10,000 to place into an ongoing capital reserve fund for highway equipment. The Selectmen and the Budget Committee recommend this appropriation. (Majority vote required).
13. To see if the Town will vote to raise and appropriate the sum of \$16,000 for the purpose of publishing the updated Town history. \$9,847 of that total is to be raised by taxation, and the remaining \$6,153 is to be raised by authorizing the Selectmen to withdraw from and thus close, the Capital Reserve Fund established for this purpose. The Selectmen and Budget Committee recommend this appropriation. (Majority vote required).
14. To see if the Town will vote to raise and appropriate the sum of \$15,000 to establish and place into a Capital Reserve fund for the purpose of constructing a salt/sand shed, or take any action in relation thereto. The Conservation Commission supports this appropriation. The Selectmen and Budget Committee recommend this appropriation. (Majority vote required.)

15. To see if the Town will vote to raise and appropriate the sum of \$70,000 for the purpose of making road improvements, or to take any action in relation thereto. The Selectmen and the Budget Committee recommend this appropriation. (Majority vote required).
16. To see if the Town will vote to discontinue the road known as Proctor Road as provided for in RSA 231:43, or take any action in relation thereto. The purpose of this article is to clarify the legal status of the road , and to vote for the complete discontinuance of Proctor Road. Note: this was originally voted at town meeting on March 11, 1862, as reported in the Town History of 1920, pp 48-49. The Selectmen and Conservation Commission recommend this proposal. (Majority vote required.)
17. To see if the Town will vote to discontinue the road known as Streeter Road as provided for in RSA 231:43, or take any action in relation thereto. The purpose of this article is to clarify lthe legal status of the road, and to vote for the complete discontinuance of Streeter Road. Note: this discontinuance of originally voted at town meeting on March 8, 1870, as reported in the Town History of 1920, pp 48-49. The Selectmen and Conservation Commission recommend this proposal. Majority vote required.)
18. To see if the Town will vote to discontinue the road known as Carpenter Road as provided for in RSA 231:43, or take any action in relation thereto. The purpose of this article is to clarify the legal status of the road, and to vote for the complete discontinuane of Carpenter Road. Note: this was originally voted at town meeting on March 8, 1887, as reported in the Town History of 1920, pp 48-49. The Selectmen and Conservation Commission recommend this proposal. (Majority vote required.)

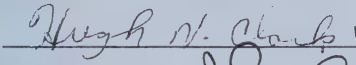

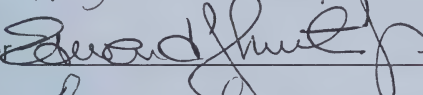

19. To see if the Town will vote to accept the budget for the calendar year 2006, to raise and appropriate the money to be expended according to the budget, or take any action in relation hereto. The Selectmen and the Budget Committee recommend this appropriation. (Majority vote required.)

20. To transact any other business that may legally come before this meeting.

Given under our hands and seal this 27th day of February in the year of our Lord Two Thousand Six.

True Copy of Warrant – Attest Selectmen of Surry

Hugh V. Clark   
Edward J. Winter   
Bruce A. Smith

Audio/Video Tapes	37
Total Circulation	1,650

2005 was a busy year for the Reed Free Library with school functions, history meetings, adult reading groups (we now have two groups), youth group functions, and our young persons reading program.

Our readers this past year were Linda Dormody, Becky Huntley, Jeannine LeClerc, Michelle Thornton and Lori Warner, who also coordinated much of the summer program – CAMP WANNAREAD. I hope no one missed out on seeing our camp setting, planned and set up by the parents and students of Surry.

Chris Thornton presented a special evening program on campfire cooking at Wright's Cove including a Dutch oven and campfire tales for flavor.

Because of the unfortunate closing of the Surry Elementary School, the Reed Free Library acquired the two computers purchased by the PTC for the school. These computers are an upgrade from what we had. With additional donations from Webryders and the help of Larry Levesque, we are now up and running. If anyone became discouraged trying to use our old system, please stop in and try us again.

As always, I truly appreciate everyone's interest and support in the Reed Free Library. Your donations and help are always appreciated. Thank you Jean Ahlberg for your continued efforts in the tedious job of maintaining our card catalog file.

The above figures represent the volume of books read during the year and they are not just for your information. They are sent to the State of New Hampshire for their records – so just to come in and pick up a book is always welcomed. You might be surprised at the variety of books we have available from enjoyable fiction to up-to-date reference material for reports.

Respectfully submitted,

Carolyn Locke, Librarian

## Surry Planning Board Report 2005

With the help of Leslie Carlson and John Berglund filling in as alternates until Eric Eichner join the Planning Board in September the board conducted the following business in 2005:

<b>January 24</b>	Regular Meeting
<b>February 28</b>	Regular Meeting
<b>March 28</b>	Regular Meeting
<b>April 25</b>	Regular Meeting and Public Hearing for James and Patricia Small - two lot subdivision on Route 12A approved and Robert and Linda Bergevin – lot line adjustment on Surry Dam Road approved
<b>May 23</b>	Regular Meeting
<b>June 27</b>	Regular Meeting
<b>July 25</b>	Regular Meeting
<b>August 22</b>	Regular Meeting
<b>September 26</b>	Regular Meeting and Public Hearing for co-owners Frank and Nicole Conroy. David Brooks and John and Deborah Reilly a three lot subdivision on Mine Ledge Road approved and Phillip Marotte of INEX Homes a three lot subdivision on Pond Road approved
<b>October 24</b>	Regular Meeting and Public Hearing for Davey and Mary Nadeau – two lot subdivision on Route 12A approved
<b>November 28</b>	Regular Meeting
<b>December 19</b>	Regular Meeting and Public Hearing for change to Town of Surry Regulations and changes required for the Nation Flood Insurance Program.

David Callender, Secretary  
Leslie Carlson, Alternate

Eric Eichner, Member  
John Berglund, Alternate

## **Surry Conservation Commission 2005**

The commission meets every third Thursday at 7:00 PM in the town hall unless notified by public notice. Meetings are open and all are invited to attend. Following is a series of summaries outlining the various projects and efforts accomplished by and before the commission:

Merriam Road - Having been made aware of wetlands violations occurring on Merriam Road, the Commission met, surveyed the road, and on May 12, 2005 a letter was sent to the Selectmen outlining our concerns and detailing the various legal infractions. The result is the NHDES is taking legal action to correct the problem.

Discontinued Roads - It is recommended that the three roads, Streeter, Carpenter, and Procter, which are presumed discontinued (ref. 1920 Town history), be brought before a town meeting and voted on to affirm their discontinued status under RSA 230:43. We would then recommend the selectmen designate these roads Emergency Lanes under RSA 231:59-a. This would allow the town to perform minimum maintenance to allow emergency use.

Litter - An ongoing effort is to identify and enable concerned residents to help in cleaning up the litter in town. This year, two projects were undertaken; the road leading to and the vicinity around the quarry and the area around the Lilly Pond.

Source Water Protection - A primary concern of the commission is the protection of our groundwater. A number of projects were undertaken this year to address this concern. Last spring two members of the commission attended a presentation concerning water protection in Alstead.

As a result, the possibility exists to engage in a town source protection survey during 2006. As the salt/sand mixture used to treat the Surry roads is uncovered and subject to runoff, a building is proposed to eliminate the loss of salt and protect our ground water.

The Quarry - A clean up of the quarry located at the end of Streeter Road was accomplished involving the efforts of many from the towns of Walpole, Alstead and Surry. Nine vehicles, other discarded materials and contaminating liquids were removed. A barrier was erected to help limit undesirable access to the quarry.

Zoning Ordinance - For the future, a number of changes are recommended by the commission: they are the addition of Steep Slope Protection, Aquifer Protection and Wetlands Protection as required by the Master Plan and also the increase of property line setback to 100 ft. bordering wetlands.

Education - A presentation, sponsored by the commission, concerning studies being performed by scientists at the Mt. Washington Observatory, was provided to the community. It was agreed that a key responsibility of the commission is to provide educational opportunities on a regular basis.

Salt Shed - Consistent with the Commission's priority to protect our source water, a project was started to define a structure and create funding program. The result is an article in the warrant to start a capital reserve fund.

## **SURRY FIRE DEPARTMENT REPORT – 2005**

Your fire dept has been busy in many respects this year. We have experienced an increase in calls, as well as several extra projects. This summer we purchased a used shelter for our airboat, which we erected in the rear of the station. Thanks to Dave Brooks for the site work, and Toby Barrett for the gravel for the base.

We have applied for matching grant funds for the purchase of forestry pumps and hose, and received grant approval for \$883.00 in matching money.

We also applied for, and received, grant funds for the purchase of hazardous material protection/decontamination equipment including garments, protective masks, gloves and decon materials and solvents as well as a portable generator and pump for a wash station. Fred Breton was instrumental in this effort. We also applied for and received a grant for the purchase of a complete update of our self-contained breathing apparatus, including 12 new units, 12 spare cylinders, extra hose adapters, and 8 extra masks, sufficient to fit each qualified member with a fitted mask. This will replace our current breathing apparatus that spans back some 20 plus years in age and technology. Also included in the grant is the purchase of a thermal imaging camera. This greatly improves our capability in identifying fire problem areas, victim location in adverse conditions, and imaging under obscured conditions. We also will add a three-gas meter to our inventory, which will assist us in identifying hazardous atmospheres in the associated spectrums. This grant alone totals \$66,500.00. There is also another statewide grant in process, which promises additional communication equipment. The total value to Surry has not been finalized.

All these grants and projects represent countless hours of paperwork, filings, research, and then another research program for the actual purchase.

Among unique events this year, we would include some significant forest fire events in the town of Roxbury, which Surry responded mutual aid to, along with many other local community departments. The fall flooding impacted a large segment of the state, but more significantly, Alstead, and the northern portion of Surry. We not only responded to our community's needs, but also assisted Alstead in areas where they were cut off, and their own resources were too overwhelmed to deal with effectively. As this evolved, we also provided mutual aid assistance to Keene which had major flooding in several low-lying parts of the city. A special thanks to all who helped the department replace one of Surry's resident's bridge which was destroyed in the flood. Many residents and local businesses helped, and it was much appreciated. It was a busy fall!

Perhaps the single biggest effort has been the hours of work by the truck committee in determining the requirements of the town for a replacement front line apparatus. There are several factors influencing this purchase. The primary factor is maintaining a reliable, appropriate response to fire/emergency needs of the community, The maintenance of the best possible ISO rating for the town of Surry, (insurance rating), which directly influences your insurance premiums. And the equipping of our volunteers with the best equipment practical to do the job.

An over view of the ISO ratings is appropriate here; as the only time you hear about it is when a new truck is proposed. The insurance industry has a rating organization, which reviews each community on an ongoing basis to rank the fire department and physical characteristics, as they relate to loss exposure. Some factors are difficult to overcome, such as distance to a fire station. (5 miles is the magic number) as well as full-time versus volunteer, and hydrant proximity. But the one place we can effect is the equipment, and average response time/manpower.

In the most recent review, approximately 10 years ago, we were satisfactory in having an 8-year-old truck and the correct compliment of tools and equipment. The manpower response average per call was good enough to provoke a comment from the investigator of "wow, better than a full-time dept response level". All communities in this immediate area are comparable in their ratings of 9 out of ten. They also all maintain a current inventory of equipment, equal to or better than Surry. The problem arises when the first line piece goes over twenty years in age. In our research we have not been able to gather information in regards to recertification of equipment over twenty years, because it is not being done that we can find. We do know that any company doing so would incur a significant cost per recertification, based on the process involved in the original certification. If the Town were to be moved to the next rating of 10, it would become significantly more difficult to acquire insurance, and at increased cost. Thus just from a monetary standpoint, maintaining a 9 or better rating is desirable. This does not include the welfare aspect of maintaining a reasonably current apparatus.

The complexity and cost of fire trucks has grown immensely since the last truck was purchased (1987 International). Because the average service span of our trucks is between 35 and forty years, it is essential the right choices be made in the selection process. We have been fortunate to have members of the community join with the fire dept officers and members and provide a pool of knowledge in the many facets of this process.

The first meetings were devoted to assessing the specific task requirements for the truck in regards to water capacity, pumping ability, equipment compliment, terrain requirements, personnel requirements. We then met with representatives from four different manufacturers, outlining our requirements, and seeking the best fit of their respective product lines. We then reviewed the proposals, to assure they included comparable equipment, and refine items we could delete or needed to add.

These refinements were then forwarded to the representatives for correction to the proposals, and second meetings were then held with the reps. The committee has recommended the truck proposed to you on the basis of the method of construction, conformity to technical requirements, and cost. The technical requirements were driven by the mission; deliver a sufficient quantity of water to the scene, in a timely fashion, with the correct apparatus to suppress the scope of fires that we could reasonably expect in the town of Surry, and ensure as best possible, the safety of our personnel. It would also be nice if it fit in the station. The best fit in the water volume was 1500 gal capacity. This is the minimum quantity NFPA recognizes as a tanker classification, and approaches the maximum weight constraints of a single rear axle. This quantity combined with a foam system, provides a respectable compliment.

The truck design includes a cab-over crew compartment and engine rated at 500 hp matched with an Allison automatic transmission. This combination promises a turning radius capable of navigating severe corners such as the Dam Road, Pond Road at both ends, and private drives. It also provides adequate power to maintain reasonable headway on the grades in town such as the Joslin Road, Pond Road and Old Walpole Road. Hose capacity, pump characteristics, and auxiliary equipment provide the necessary tools to suppress fire.

In view of the fact that more fire personnel die on the way to and back from fires, coupled with the stress factors involved in this work, and the need for ready access to prepositioned gear, shelter from the extremes of cold, heat or rain, make a crew cab a logical decision. All other considerations are directed to the security of the residents of this Town, and their property. The cab considerations are for our charges, your fellow neighbors who volunteer their time freely.

Although mentioned last, inherent in our consideration all along the way was the cost implication of every item that was put in the specification. While there are many desirable items to consider, the list was kept to those seen as essential to the purpose.

It is the hope of the fire engineers, that the people of Surry will support the recommendations put forth in the committee proposal, by their vote at the annual town meeting.

Respectfully submitted,

Roger Bienvenu, John Berglund, Durwin Clark

## Report of Forest Fire Warden and State Forest Ranger

Your local Forest Fire Warden, Fire Department, and the State of New Hampshire Division of Forests & Lands work collaboratively to reduce the risk and frequency of wildland fires in New Hampshire. To help us assist you, please contact your local Forest Fire Warden or Fire Department to determine if a permit is required before doing ANY outside burning. A fire permit is required for all outside burning unless the ground is completely covered with snow. The New Hampshire Department of Environmental Services also prohibits the open burning of household waste. Citizens are encouraged to contact the local fire department or DES at 1-800-498-6868 or [www.des.state.nh.us](http://www.des.state.nh.us) for more information. Safe open burning requires diligence and responsibility. Help us to protect New Hampshire's forest resources. For more information please contact the Division of Forests & Lands at (603) 271-2217, or online at [www.nhdfi.org](http://www.nhdfi.org).

Fire activity was high during the first several weeks of the 2005 fire season, with red-flag conditions issued by the National Weather Service and extreme fire danger in the southern and central portions of the state. This period of increased initial attack activity prompted a 5-day ban on open burning, the first such ban in several years. Despite the dry conditions, the state's largest wildland fire was contained at 29 acres. Our statewide system of fire lookout towers is credited with keeping the fires small and saving several structures this season due to their quick and accurate spotting capabilities. Fires in the wildland urban interface damaged 10 structures, a constant reminder that forest fires burn more than just trees. Homeowners should take measures to prevent a wildland fire from spreading to their home. Precautions include keeping your roof and gutters clear of leaves and pine needles, and maintaining adequate green space around your home free of flammable materials. Additional information and homeowner recommendations are available at [www.firewise.org](http://www.firewise.org). Please help Smokey Bear, your local fire department and the state's Forest Rangers by being fire wise and fire safe!

## **SURRY POLICE DEPARTMENT**

### **Year End Report – 2005**

**<http://home.webbryders.net/surry/>**

Overall activity for the Police Department was down a little this past year, but once again, domestic violence related calls are up. We also weren't called out in the middle of the night quite as often – which is a good thing!

Flooding again this past fall pressed all the Officers into service simultaneously as we worked around the clock dealing with more road closures due to wash outs, detours and water level monitoring. This became tricky with just the one cruiser, but we dealt with it by utilizing our own vehicles in several instances. We provided assistance to some of the surrounding towns in areas that we could access because they either couldn't get there at all, or at least couldn't in a timely fashion and we were requested to Keene to assist with the Davis Street shooting back in September. With the Countywide mutual aid agreement in place, we are able to provide assistance to any town in Cheshire County if and when needed.

The Police Department has received several complaints of various scams and other forms of fraudulent activity. The majority of these involves attempts to gain access to either personal information; i.e., dates of birth, social security numbers, and credit card or bank account numbers. They arrive in the form of e-mail or telephone solicitations usually. E-mail "spoofing" has become a favorite and arrive from a believed valid user like e-bay or paypal with some kind of subject line claiming that your account has been suspended or they need to validate something about your personal information and provide you with a bogus link to "the bad guys" website. **DO NOT CLICK ON THESE!! EVER!!** If you think there is a problem with your account, sign into them directly **NOT VIA** a link contained in an e-mail. If there really is a problem, your service will tell you then.

Telephone solicitations frequently tell you that you've won some kind of cash prize and in order to claim it, or be carried over into the next higher round of the contest, you need to give them your credit card number, or send them "x" amount of dollars. DO NOT DO IT!!! EVER!! Think about it for just a minute: Do you remember actually entering into this "contest"? Please follow the old adage: "If it sounds too good to be true, it probably is"! Don't become a victim.

Please remember that we are now dispatched by the Cheshire County Sheriff's Office that can be reached by calling **355-2000 or 9-1-1. Please do not call our homes directly!**

Thank you once again is extended to the Surry Fire, Rescue and Highway Departments for their continued assistance and support throughout the year.

Respectfully submitted,

Gerald Clark	Chief of Police
Joel Huntley	Lieutenant
Roger Turcotte	Patrolman

The following is a summary of the Surry Police Department's activity for 2005.

15	MV Accidents
2	MV Accidents - w/injuries
0	MV Accidents - hit & run
0	MV Accidents – fatality
35	Criminal Cases
1	Burglary
5	Criminal Arrests
78	MV Summons
49	Misc MV Stops

2	OHRV Complaints
4	Domestics
4	Noise Complaints
11	Alarms/9-1-1 calls
11	Assist Outside Agencies

211	Personal Contacts (Any official activity when a person's name would be obtained)
6	Number of calls between 2300 and 0600

THIS DOES NOT INCLUDE ANY CALLS FOR  
SERVICE HANDLED BY THE STATE POLICE

169	Total Calls for Service as of 12/31/05
196	Calls 2004

## HISTORY COMMITTEE REPORT

### 2005

The History went to the printer December 30, 2005. Our author, Richard Scaramelli has edited and proofread the text. We chose photographs and captions and made decisions about the cover, the map and index. We decided to have an ISBN to make it easier for people from out of town to find the book. The town will own the copyright and receive the money from sales. The price of the book is \$30.00.

Our other project has been preparing oral histories. Sheila Breton interviewed long-time residents of Surry about their memories. We have transcribed 22 and are searching for a way to transfer these tape recordings to CDs. If anyone knows how this can be done for a reasonable cost, please contact us. We have asked the town for \$750 to cover the cost of this project. Our goal is to sell the CDs and printed transcriptions in a set, at cost. These oral histories include memories of the 1938 hurricane, World War II, maintaining Surry roads with horses, school memories and the building of the dam. They are moving, funny and heart warming.

We welcome new members!!!!

## EMERGENCY MANAGEMENT REPORT – 2005

The Town was able to secure a grant of approximately \$3,200.00 from Homeland Security that was used to purchase equipment and supplies for the Fire Department. A request for more grant funding during the year was rejected due to lack of available State funds.

The Town's Emergency Management Plan has been accepted by both the State and the Surry Selectmen, and is in the process of being printed by the State.

I was able to attend two training classes taught by the State Office of Emergency Management. I also attended several regional planning meetings during the year.

The Surry Citizen Corps sent out a survey in March, which had a return rate of 27%. The survey indicated several things:

1. Over 90% said they would help others in an emergency.
2. Most returns showed a lack of: medical training, planning for emergencies, maintaining supplies on hand for emergencies.
3. Very few asked for help in training and in planning for emergency situations.

This year's project will be to set up "Neighborhood Watch" programs in various areas of Town.

The October floods did not impact the Town of Surry as much as our neighbors. The water and flooding did some damage to our roads but was repaired by our Highway department. The State repaired their roads, which had more serious damage, and those repairs took longer. There were 53 persons that had their water tested after the October floods by the state and most water samples passed.

There is still a need of our citizens to be better prepared for all types of emergencies. If you would like any information or training, please contact me.

Respectfully submitted,

Frederick Breton, Emergency Manager

## SURRY RECREATION COMMITTEE REPORT - 2005

In January, the Recreation Committee organized and served a dinner prior to an introductory program about the Surry Citizens Group by Fred Breton, director. The dinner was provided with funds from the Federal government grant.

Again in March, as the Committee has done for the last few years, a light dinner was prepared and served by the Recreation Committee before the annual Town Meeting.

On Old Home Day, the Recreation Committee prepared and served a *Welcome Luncheon*. The luncheon provided an opportunity for long-time, former and newer residents to visit.

A Photography and Art exhibit, an exhibit of pictures and memorabilia of Surry School and an exhibit by the Surry Conservation Commission were displayed. Games were held for the children. Participants in the Cake Walk enjoyed themselves and some went home with goodies. The Monadnock Squares gave a demonstration of western square dancing and encouraged many of those present to join in a square. The Surry Fire Department's chicken barbeque and a children's talent program organized by Heather Bigelow ended the day's festivities.

Maureen and Bill Bigelow were honored as Citizens of the Year in appreciation of their service to the town in many organizations and offices. Larry Sportello was presented a thank you plaque for his work and accomplishments while serving as selectman.

A "*Sing-A-Long and Santa*" program was held at the Town Hall in December. There was a group singing a variety of seasonal songs. In addition, Julie and Clara Lane played piano solos and Trina Brown played a flute solo as well as a medley of Christmas songs with Teegan Chiovitti. Refreshments were served after the program.

The Recreation Committee would like to thank the following people who have helped with various events throughout the year: Mary Fosher, Peg Pike, Eileen Duffy, Mary Anne Bonafair, Mabel Rhoades, Rev. and Mrs. Craig Fisher, Karen Edwards. Anyone who would like to volunteer to help with any activity is always welcome. Please contact a member of the Recreation Committee.

Respectfully submitted,

Maureen Bigelow, Sharon Sweeney, Marilyn Jarvis, Stacey Taylor

A handwritten signature in dark ink, appearing to read 'Wallace A. RENEY', with a long, sweeping horizontal stroke extending to the right.

WALLACE A. RENEY  
AUDITOR  
FEBRUARY 10, 2006

**STATE OF NEW HAMPSHIRE - TOWN OF SURRY**  
**TOWN WARRANT - 2005**

To the inhabitants of the Town of Surry, in the County of Cheshire, in said State, qualified to vote in Town affairs.

**You are hereby notified to meet at the Town Hall in Surry on Tuesday, the 8th of March, 2005 from 2:00 p.m. to 7:00 p.m. to cast written ballots to act upon the following articles:**

1. To choose all necessary Town officers as listed on the official ballot.

**In addition, you are hereby notified to meet at the Town Hall in Surry on Thursday, March 10th, 2005 for the business meeting at 7:30 p.m. to act on the following articles or in relation thereto:**

2. To hear the reports of the Town Officers and Committees.

(Accepted as printed in the annual report book)

3. To see if the Town will vote to approve a change in tax collection billing from once per annum to twice per annum -June and December in the calendar year. The standards for collection per statute, as follows:

**76:15-a Semi-Annual Collection of Taxes in Certain Towns and Cities.**

I. Taxes shall be collected in the following manner in towns and cities which adopt the provisions of this section in the manner set out in RSA 76:15-b. A partial payment of the taxes assessed on April 1 in any tax year shall be computed by taking the prior year's assessed valuation times 1/2 of the previous year's tax rate; provided, however, that whenever it shall appear to the selectmen or assessors that certain individual properties have physically changed in valuation, they may use the current year's appraisal times 1/2 the previous year's tax rate to compute the partial payment. II. For the purposes of this section, the lists of assessed property shall be committed by the selectmen with a warrant under their hands and seal directed to the collector of such town no later than May 15. The collector shall mail all the bills for this partial payment no later than June 15. Partial payment of taxes assessed under this section shall be due and payable on July 1. The collector shall receive such payments, give a receipt therefore, and credit the amount paid toward the amount of the taxes eventually assessed against the property, in the same manner as prepayments under RSA 80:52-a. A payment of the remainder of the taxes assessed April 1, minus the payment due on July 1 of that year, shall be due and payable December 1. Interest charged on all taxes not paid on or before the date they are due shall be as prescribed in RSA 76:13, except that, when bills for the partial payment under this section are mailed on or after June 1, interest shall not be charged until 30 days after the last bill is mailed.

The Selectmen and the Budget Committee recommend this change. (Majority vote required).

(Passed by a vote of 43 for and 22 against on a standing vote)

4. To see if the Town will vote to raise and appropriate the sum of \$5000 to place in the current Library capital reserve fund for the purpose of ADA compliance. The Selectmen and the Budget Committee recommend this appropriation. (Majority vote required).

(Passed)

5. To see if the Town will vote to raise and appropriate the sum of \$5000 to place into an ongoing capital reserve fund for the fourth year of a six (6) year plan to purchase a new police cruiser. The Selectmen and the Budget Committee recommend this appropriation. (Majority vote required).

(Passed)

6. To see if the Town will vote to raise and appropriate the sum of \$10,000 to place into an ongoing capital reserve fund for highway capital equipment. The Selectmen and the Budget Committee recommend this appropriation. (Majority vote required).

(Passed)

7. To see if the Town will vote to raise and appropriate the sum of \$8,100 to be added to the capital reserve fund previously established for the purpose of finishing the Town history. The Selectmen and Budget Committee recommend this appropriation. (Majority vote required).

(Passed)

8. To see if the Town will vote to authorize the withdrawal of \$11,892 (plus nominal interest) from the capital reserve fund established for the purpose of finishing the Town history, and closing this reserve fund. The Selectmen and Budget Committee recommend this appropriation. (Majority vote required).

(Passed)

9. To see if the Town will vote to raise and appropriate the sum of \$25,000 to place into an ongoing capital reserve fund to purchase a new fire truck. The Selectmen and the Budget Committee recommend this appropriation. (Majority vote required).

(Passed)

10. To see if the Town will vote to raise and appropriate the sum of \$70,000 for the purpose of making road improvements, or to take any action in relations thereto. The Selectmen and the Budget Committee recommend this appropriation. (Majority vote required).

(Passed)

11. To see if the town will vote to approve new Flood Plain ordinance prepared by the Surry Planning Board. Approval by this vote is the last step required to allow the town to join the National Flood Insurance Program. Failure to approve by this vote will negate the ability to join the Flood Insurance Program. The Selectmen recommend approval of this proposal.

(Passed)

12. To see if the Town will vote to approve the optional tax credit for service connected total disability pursuant to RSA 72:27, with a tax credit amount to be greater than the mandatory \$700 but no greater than the maximum allowable of \$2000.00. If approved by town vote, the exact tax credit to be allowed must be designated at the same time. Such approval, if granted, will take effect for all qualified disabled veterans for the next tax billing cycle. By Petition

**#12 AMENDED**

12. To see if the Town will vote to approve the optional tax credit for service connected total disability pursuant to RSA 72:27, with a tax credit of \$2000.00. This tax credit will take effect for all qualified disabled veterans for the next tax billing cycle.

(Passed)

13. To see if the Town will vote to accept the budget for the calendar year 2005 to raise and appropriate the money to be expended according to the budget, or take any action thereto. The Selectmen and the Budget committee recommend this appropriation.

**#13 AMENDED**

13. To see if the Town will vote to accept the budget for the calendar year 2005 to raise and appropriate the sum of \$413,423.00 to be expended according to the budget, or take any action thereto. The Selectmen and the Budget committee recommend this appropriation.

(Passed)

14. To transact any other business that may legally come before this meeting.

A motion was made to adjourn the meeting. This was seconded, and voted in the affirmative.

Respectfully Submitted,

Darlene A Clark

Town Clerk

The Special Town Meeting held at the Surry Town Hall was opened at 7:12 p.m. on 10/27/2005 by the town moderator Nancy Callender.

Presentation of the American Flag and the State of New Hampshire Flag was presented by Surry Boy Scout, # 289 . The moderator then went over the rules by which she would run this meeting.

Wayne Brown, introduced the Surry Education Evaluation Committee (SEEC) members. They are Wayne Brown, Katherine Richardson, Linda Bergevin, Jeff Friedman (School Board Representative from the town of Surry), Timothy Peloquin, Frank Conroy, Edward Winter (Selectman, Town of Surry), Rebecca Todd (Attorney for SEEC) and Jane Fortson (Accountant for SEEC).

Rebecca Todd, attorney for the Surry Education Evaluation Committee (SEEC), gave an overview of what the committee had done thus far, where they were headed, and some of the obstacles they had encountered and might encounter along the way as well as fielded questions from the audience.

Carol Lothrop then presented some data she had on hand as a member of an ad hoc committee for the Monadnock Regional School District.

The moderator informed the audience that the order of the warrant articles upon which we would be voting was going to be changed. Article 1 and 2 would be presented and voted on after articles 3-9.

Articles as Voted:

3) Shall the Town of Surry continue to educate K-12 children as it does today, with the Town a member of the Monadnock Regional Cooperative School District and a member of Supervisory Administrative Unit #38. --- **Defeated.**

4) Shall the Surry Education Evaluation Committee prepare a preliminary withdrawal study and withdrawal plan in anticipation of possible withdrawal from the Monadnock Regional Cooperative School District. – **AMMENDED TO READ**

Shall the Surry Education Evaluation Committee prepare a preliminary withdrawal study and withdrawal plan within 55 days to aide the Monadnock Cooperative Regional School Board in its withdrawal study. --- **Passed.**

5) Shall the Surry Education Evaluation Committee prepare a study of the feasibility and suitability of Surry's withdrawal from the Monadnock Regional Cooperative School District. – **AMMENDED TO READ**

Shall the Town of Surry authorize the Surry Education Evaluation Committee to convey the town's request to the Monadnock Cooperative Regional School Board on or before 12/23/2005 a study of the feasibility and suitability of withdrawal pursuant to RSA

195:25 and convey to the School Board the Surry Education Evaluation Committee report regarding withdrawal. – **Passed.**

6) Shall the Town of Surry (SEEC) negotiate a decrease in the grades of K-12 students from which the Monadnock School District provides education, pursuant to RSA 195:16-a. – **Defeated.**

7) Shall the Surry Education Evaluation Committee prepare a preliminary withdrawal study and withdrawal plan in anticipation of possible withdrawal from Supervisory Administrative Unit #38. – **Defeated.**

8) Shall the Town of Surry request that the Monadnock Regional Cooperative School District create a planning committee to study and recommend the withdrawal of Surry from Supervisory Administrative Unit #38 pursuant to RSA 194-C:2. after the Surry Education Evaluation Committee completes it preliminary study and withdrawal plan. – **Defeated.**

9) Shall the Town of Surry raise and appropriate the sum of \$20,000 for the purpose to explore and pursue educational options available for the Town’s Kindergarten though grade 12 population – **Passed.**

1) To see if the Town will vote on those proposal(s) of the Surry Education Evaluation Committee as presented at Town Meeting or to take any other such action in relation thereto – Moved to Pass Over – **Defeated.**

Article1 discussed and voted on as follows:

Rebecca Todd, Attorney for SEEC spoke of how helpful it would be if we as a body would take an advisory vote on each of the three proposals as presented by the SEEC, those proposals being listed below and in a hand out given to voters at the door upon admission to the town meeting:.

The proposals were presented and the voters voted in order of favorability to them:

Proposal #1 – Tuition all students, K-12 to Keene.

First Choice – 48    Second Choice – 20    Third Choice – 4.

Proposal #2 -- Tuition K-8 to Westmoreland and High School (9-12) to Keene.

First Choice – 5    Second Choice – 18    Third Choice – 35.

Proposal #3 – Form Surry School District & Remain in SAU #38.

First Choice – 23    Second Choice – 17    Third Choice – 13.

- 2) Does the Town of Surry authorize the Surry Education Evaluation Committee to take all action the committee deems prudent and necessary in pursuit of the educational option (s) for the K-12 children that the town authorizes. – **Passed.**

Motion made and seconded to re-visit article 9 which read Shall the Town of Surry raise and appropriate the sum of \$20,000 for the purpose to explore and pursue educational options available for the Town's Kindergarten through 12 population.

After discussion amendment made, seconded and voted in the affirmative to read:

Shall the Town of Surry raise and appropriate the sum of \$20,000 for the purpose to explore and pursue educational options available for the Town's Kindergarten through 12 population and shall the \$20,000 appropriation be encumbered such that any of these monies unspent in 2005 are available for use in 2006. **Passed.**

Meeting adjourned at 10:40 p.m.

Respectfully Submitted, -

Darlene A. Clark, Town Clerk  
Town of Surry, NH
